I was hoping 8 am starts both days was better than a 2 1/2 day CSTAG meeting ☺

Day 1 – will do. We're going to work today on setting up the break schedule for tomorrow afternoon. Goal will be to spell that out for everyone so they know in advance.

Day 2 – Nothing beyond introductions and the region restating the purpose of the meeting and how the morning will be structured. Given how early our start time is I am left a little cushion in the event folks get in a touch late.

8 AM both days? Ugg.

Couple Qs/Comments:

Day 1: 1:15 to 5:00 pm - Site Briefing (EPA): Please leave enough time for questions from members. Q/A breaks after sections are helpful.

Day 2: 8:00 am to 8:30 am - Introduction and Overview: Besides everyone in the room identifying themselves, what is anticipated of CSTAG and from the Region? If we have extra time, we will include it in the Q/A for stakeholders.

Thanks,

Karl

Karl,

My apologies about not getting this revision to you sooner. We had to switch the timing of the site tour. We are now doing it in the morning of day 1. The bus will pick us up at 8:45 am in front of the building. We are going to go through a brief walk through via google earth to help orient folks starting around 8 am.

Subject: Final Agenda?

Hi Diane,

I did not have a "Final" Agenda (or at least I could not find a "final"), but pulled this together from the Day 2 agenda sent by you to USACE and the 1-24 Agenda.

Is this accurate?

Thanks,

Karl
